NOTICE TO MEMBERS

RE: Driving Licence Renewal

Members please be advised that Category 2 driving licences may be renewed online at www.ndls.ie

You must have access to your mygovid account on the government site and this will enable you to connect directly to the NDLS website and allow you to upload your medical report for professional driver licence (category 2) renewal.

Once the report is uploaded the licence takes approx. 2-5 days to be issued. NBRU representatives in depots with laptop access are available to assist those who may not have access to online facilities at home should you require it.

Further information may be found on:
MyGovID - Home
www.ndls.ie
